May 24, 2013 - Baabul - Salman Khan, Rani Mukherjee and John Abraham A very touching film! Will make you laugh, cry, get angry, but you will love it! The focus is on two twin brothers who have just arrived in America, one with the intention of becoming a millionaire and the other a simple worker. But in life it turns out that they go different ways, and as a result, one becomes a millionaire, and the other becomes a simple worker. But none of them understands that they have become completely different people. Who will be happy in the end, and who will remain at the bottom? How will the plot develop further?
