Using the knowledge you acquired during the play period, your team of three characters will feel the pressure and act.

er Dungeon

They are formed so that when the process of "dismounting" (transporting to the above) is completed, the dungeon scrolls will open.

Depending on the constant of the dungeon, it may have some visual differences.

lements

ns are based on four elements (X-Stat, STR, INT, HP, MP, AP, EXE, and to varying extents, DEF, MOV, SPR, BP, Z).

## What's new:

**Rise, Tarnished, and become an Elden Lord in the Lands Between. Eden. What feeling does this name evoke within you? It is the most peaceful place, and the wholeness that surpasses the abyss. After many a failed life, it is the first time that I seek to regain my former self. However, I cannot find it. I seek the blue orbs that can safely transform my body, but they seem to burn away every time I touch them. I cannot endure this again. I will find a way through this. I must find the answer. I have been traveling for months now, searching for Eden. Resolute, I will certainly find the answer. (Produced by 9amm)**

**From the creators of Skygarden and The Flower of Juushin, "The Elden Ring" also received the 40th Touhou Project New Year's crowdfunding, as a new intellectual property based in the Touhou Project, and has been added to the game lines of Bandai Namco Entertainment Holdings Inc.'s new 2017 game lineup "Trouble Shooter." The character design is inspired by a painting (Black and White Drawing, Estelle Keppens) created by Hangu Matsuri.**

**]]>PSO2 Sat, 09 Jan 2019 08:46:09 +0000AratRetro I was sitting here tonight, thinking about the game and a question comes to my mind. Why did we have to wait like forever on the announcement of the development start of the game? As a long time fan of the Touhou Project I couldn't give a single ticket for a result like this, at most I would be able to assume that the game will finally get some serious attention. But as long as we don't start hearing anything about the development start or even more about the game in general, I get the feeling that Square Enix lost control of the game somehow. Why would they do this when they know that we are dying to hear something about it?]]>PSO2 Sat, 09 Jan 2019 08:48:09 +0000Metal-Spider-**
