The Elden Ring : An online RPG that distills the classic fantasy setting to its essence and throws open the door of unparalleled fantasy. • Fall into the Unfamiliar World of a Fantasy RPG The fantasy world of The Elden Ring is as unfamiliar as the world of high fantasy. It is a world where bards sing of dragons and dwarves, where fairies and elves dance in the sunlight. It is a world of dragons and elves, where humans and dwarves live side by side in peaceful coexistence. The first part of the Elden Ring is the setting. You begin your adventure as an outcast, wandering as a traveler throughout the Lands Between. After being kidnapped by a strange man, you find yourself mysteriously transported to the Lands Between. There, you are introduced to the world where humanity and dwarfs coexist peacefully. Your trials will be rife with personal growth. • Aspiration & Reunion As you grow in stature, you will be able to become an official member of the human-dwarf alliance, and you will receive the power of the Elder Ring. You can also take an oath as a representative of the Elden Ring, reuniting the scattered Elden Kingdom. You will once again become a true legend. ■ WEB-SITE: www.lionheartsoft.jp/english/ ■ Twitter: -- THE LAND BETWEEN [UPDATE] ----- Update Date: Apr. 8, 2014 Fighter Classes Brigand/Lancer Barbarian/Gunner Fencer/Archer Lancer/Peer Brigand/Peer Barbarian/Gunner/Peer Lancer/Peer Fencer/Peer Summary of Character Advancement Changes The character advancement changes are as follows.
