**AutoCAD Crack + With Keygen**

AutoCAD Cracked Version 2018 is a commercial CAD and drafting software application. Developed and marketed by Autodesk, it was released on July 12, 2017.

AutoCAD 2018 is released as a major update to the previous major release, AutoCAD 2017, for Windows, macOS and Linux operating systems. In contrast to

---

prior releases, AutoCAD 2018 is available only for three operating systems: Windows, macOS, and Linux. AutoCAD 2019 for Windows, macOS, and Linux is released as a major update to the prior 2018 release. AutoCAD is a type of computer-aided design (CAD) software for creating 2D and 3D models. According to Autodesk, AutoCAD is used by more than 75 million people around the world.[1] It is a market leader in the drafting industry, with a market share of over 80 percent in 2017.[2] AutoCAD is used by more than 2.2 million users, including 1.2

---

million professional users, around the world.[1] Contents AutoCAD was developed as a commercial version of the free educational software AutoCAD LT.[3] It runs on the Windows, macOS and Linux operating systems. In addition to traditional 2D drafting, it also includes a 3D modeler. AutoCAD is a commercial, rather than a freeware or open-source software, so one must purchase the software license to use it.[3][4] According to the Autodesk, more than five million copies of AutoCAD have been sold.[3] AutoCAD 2017, developed by AutoCAD

developers and released on December 6, 2016, was the first major release of the AutoCAD line since 2006. It was the first major release of the AutoCAD line since the launch of AutoCAD 2007. The primary focus of AutoCAD 2017 is to improve the drawing speed for most users. A new drawing capability for making 2D drawings in the cloud with Wi-Fi or cellular connectivity has also been added. Other changes include integration with the free Autodesk Design Review mobile app, so that drawings can be reviewed and edited in real-time. A new feature called Paper Space was added,

---

which mimics a sheet of paper and lets users easily draw on it. AutoCAD 2017 also brought the latest AutoCAD technology to the Web. This includes enhanced collaboration tools, cloud-based and portable engineering

AutoCAD's brand new integration with Red Hat's JBoss Enterprise Middleware software releases gives you even more ways to get your designs created more quickly and easily. (video: 1:45 min.) Improved object naming: Automatic naming now includes two levels of context. A new

---

single-object context name is assigned to objects within a drawing. Assigned object context names will be propagated and available in a new GroupNaming method available on all object types. The GroupNaming method will return the context name assigned to all objects in a group. New Autodesk Envelope support. Easily create, edit and modify envelopes in your drawings. Full screen mode: Full screen mode now supports the AutoCAD platform on Microsoft Windows. This includes support for Windows 10, Windows 7, and Windows Vista. Ability to easily view the
